PacifiCrest Mills

Voluptuous Curves is among 120 patterns in Color Separations, available in grade 100 Antron Carpet series or DuPont solution-dyed nylons. The company's level-cut, 100-engineered-falling system maximizes the size of repeats and the amount of fiber on the carpet face. The order minimum is 200 yards, but color options are limitless. 17111 Red Hill Avenue, Irvine, CA 92614; 800-372-8008; pacifimills.com **circle 352**

Ruth Livingston Studio

This designer brings elegant femininity to her debut rug collection. Nature-inspired **Bets**, **Eucalyptus**, and **Rocky** patterns come in pure Tibetan wool—but are even more delicious when mixed with silk high-light yarns. The collection's 140 standard colors are available in 60-, 80-, or 100-foot construction. 74 Main Street, Tiburon, CA 94920; 415-426-5264; ruthlivingston.com **circle 353**

Durkani Patterned Carpet

Designed with hospitality installations in mind, the **Japonica** collection of beautiful Asian-inspired patterns juxtaposes bold flowers with swirls and arabesques. Small-scale **Ranphora** celebrates a Chinese blossom, while **Kiku-Chrysanthemum** and **Miku-Ki-Papaya** offer juxtaposed scale and intensity. 405 Vinyl Drive, Dalton, GA 30721; 800-247-4380; durkani.com **circle 354**
